Grades (details available in our Technical Area):

Country

Finish:100% Natural Oil
Oxidative oil**Ordinary maintenance:**vacuum, water and "Soft Balm", dampened and wrung microfiber floor cloth
Brochure available at technical area**Extraordinary maintenance:**Brochure available at technical area or
ask our technical department**Usage:**

residential

Installation on radiant heating or cooling system:

suitable

Emissions:All IPF floors are free from harmful emissions in compliance with CE standards and
are Class E1 formaldehyde free.**Fire reaction class:**

Dfl-s1

Plancia M and L TOP are certified Class E0/F******Notes for the finishes CORTECCIA and RADICE:**

The special treatment reacting to wood's tannic acids, together with the choice of a rustic grade (COUNTRY), lead to a particular aesthetic result which may noticeably differ from the original sample. This is not a defect, but a peculiarity of ANTIQUE OAK COLLECTION OIL.

Notes for the finishes VELO BIANCO 201 and VELO GRIGIO 202:

The special hand oil treatment confers wood a particularly light pigmentation, which may change depending on the colour of the wood underneath (in the country grade the colour shade is less uniform). Moreover, the oil finish, especially in the case of wood exposed to light, makes the colour fade over the time, for this reason the wood may noticeably differ from the original sample (see page 2 of Smart Solution price list 2017).
